CNSs...

In Community National Schools:

- children are taught the national curriculum in innovative ways that aims to ensure every child achieves success at their level.
- children learn in a safe and caring physical and social environment that reinforces a sense of belonging to the school community and wider society.
- children learn to respect and appreciate diversity through a multi-belief and values patrons' curriculum, *Goodness Me, Goodness You! (GMGY)*.

“Community National Schools (CNSs) are under the patronage of Education and Training Boards (ETBs). ETBs are state bodies providing primary, post-primary and further education.”
